Dear Dr. Govender,
Office of Astronomy for Development
International Astronomical Union

The purpose of this letter is to express the interest of San Simón University in Bolivia on joining and supporting the Andean Regional Office of Astronomy for Development.

Our participation will be materialized in the support of the following projects mentioned in the proposal

- ANDEAN SCHOOL ON ASTRONOMY AND ASTROPHYSICS as support.
- EXPLORATION WORKING GROUP IN ASTROPARTICLE PHYSICS as support.
- THEACHING MATERIAL FOR VISUALLY IMPAIRED STUDENTS as support.
- DEVELOPMENT FOR PLANETARIUMS as support.

Additionally, we will be collaborating with the following outreach institution in Bolivia that will also joint the Andean ROAD:

San Andres University

We have also agreed to designate MSc. Rocio Guzman Saavedra and MSc. Marko Andrade Uzieda as representatives of our institutions in all the committees associated with the organization and communication activies inside the Andean ROAD.

Sincerely.
